

COVID-19 (Coronavirus)

We are adapting to keep everyone safe in these unprecedented times.

Since we founded the practice over 30 years ago we have always strived to Do The Right Thing and that remains the same.

The right thing to do now is to act to protect each other our colleagues, our clients and the community we live and work in.

In the light of that we have decided to temporarily close the office.

We will endeavour to still maintain contact by responding to emails info@peteregilkes.co.uk and messages left on the answering machine 01275 266999.

Please help and assist us in following the Governments directive which is in the best interest of us all to protect our loved ones who are the most vulnerable, those in key roles and above all those in the NHS.

We must all be responsible and stay safe.
